

Illinois Instructional Mandates 2022-23
(Formerly Illinois Mandated Units of Study)

This instructional mandates guidance tool should be helpful to all schools and should be reviewed prior to any ROE Compliance Review Visit. Below you will find listed areas of study that are mandated by the Illinois School Code and the Illinois Administrative Code. Statutory and regulatory references are included, as appropriate, and should be reviewed carefully to ensure that schools are meeting all requirements. **New requirements beginning with the 2022-23 school year are highlighted in yellow.**

Schools and districts should also reference the [Illinois Graduation Requirements Document](#), which provides guidance on state-required courses and compulsory units of study in which students must earn credit for conferral of a high school diploma.

Grade Level Taught: This column specifies the grade levels that may or must receive the instructional mandate, per statute and/or administrative rule. Unless otherwise specified, the term “elementary school” includes grades kindergarten through 8.

How is the Mandate Taught: In this column, please list the grade levels that are receiving this instructional mandate and explain how it is taught using the below reference key.
